ISSUE 8 | TERM 3 | WEEK 10 | 2019

Greener Kadina

At Kadina we pride ourselves on the variety of ways we engage young people in learning. The Greener Kadina gardening group is no exception. Once a week, five boys from Years seven and eight, work with Science teacher Mr Graf to get their hands dirty and make Kadina High a greener more beautiful place. The boys are learning about garden maintenance: how to plant trees, use tools, work safely and achieve something as part of a team. In the photo, small native trees and ground cover are being planted on a steep slope near the entrance of the school to prevent erosion, attract birds and pollinating insects. The boys love being outdoors and working with their hands, as well as the sense of achievement they get from a job well done. As a group they decide what projects they will work on. They must plan out what tools and plants will be needed, as well as water and maintain their creations. This means that they are also learning about budgeting, planning, patience and commitment. Next term the group will continue to work to improve the entrance of the school, so keep your eyes out for any changes. The boys working in the project are: Lachlan Charles, Eric Williams, Blaze Smith, Brayden Hall and Ryan Millar.

Principal Mr Ian Davies assists in the rejuvenation of the gardens around Kadina.

We would like to respectfully acknowledge the Elders past and present of the Wijabul Wiyabal people and other peoples of Bundjalung Nation. We acknowledge that they are the first peoples of this land on which our school stands.

Twice in the past month Kadina staff and students have been lucky enough to spot our resident koala high up in the trees above our school.

VET Pathways Meeting

Kadina hosted a number of departmental staff for a Pathways Workshop on how to engage students in TAFE options. Pictured here is Jahna doing an acknowledgment for country in Bundjalung.

Students from the SRC providing catering. Njoki, Georgia and Emily also performed for our visitors as they entered the campus library.

These girls were fortunate to perform for the NSW Governor The Honourable Margaret Beazley at a Regal function in Lismore. Our school captains elect also attended a function at Southern Cross University where the Governor was the occasional speaker.

Yr 10 Geography Excursion to Byron Bay

Year 10 students have been studying coastal processes and sustainable tourism in Geography. In an attempt to enrich this study on Tuesday 24th September all year 10 students went on an excursion to Byron Bay. Students studied the impacts of erosion on the coastal environment and strategies put in place by Byron Council to limit coastal erosion.

Students then caught the solar train to Elements Resort where they went on a tour of the resort to look at examples of sustainable tourism in practise.

Year 7 News

Congrats to the following students who were awarded GOLD for RSFP this Term 3:

Week 5: Elanor, Sarah, Jack , Riley, Anabel, Grace, Charlee and Kira!

Week 9: Sarah De Vries and Cooper Power!

Plans are underway for our end of year excursion. We are planning a trip to Thunderbird Park for a 2 hour waterfall hike, swim and then a high ropes challenge. It will be a huge day. Kids are required to bring hats, sunscreen, plenty of energy food, swimmers etc and lots of water! It will be a FANTASTIC day! Notes will go out early next term and I hope everyone attends. Please let me know if you need financial support to cover the costs.

Ms Jude

Year 7 Adviser

Kadina's Sheep Herd

Over the last two weeks Kadina has been steadily expanding its sheep herd, with the addition of 5 lambs to the flock. The lambs are all feeding well and are being looked after by their mothers with two being confirmed as Ewe's (female). The genders of the others will be determined next term through routine husbandry and animal welfare practices to ensure all lambs grow up healthy.

Year 12 Farewell Assembly

Notices

Daylight saving time 2019 in New South Wales will begin at 2:00 am on

Sunday, 6 October

and ends at 2:00 am on

Sunday, 5 April 2020

LIVE & WORK IN JAPAN!

The Japan Exchange & Teaching Programme is a Japanese Government initiative that aims to improve foreign language education and promote grass-roots internationalisation at the local level. It offers Australian university graduates the opportunity to live and work in Japan as Japanese government employees. Roles are available as Assistant Language Teachers (ALTs) in primary and secondary schools, or Coordinators for International Relations (CIRs), interpreting and translating in local government offices.

Both are full-time, paid positions with requisite conditions.

Flights to and from Japan are included.

<http://jetprogramme.org/en/>

Come along to an information session to learn more about the fantastic opportunities on offer through the JET Programme:

Date: Wednesday 9th October 2019

Time: 4:00pm-6:00pm

Venue: Japan Centre Gallery, Lismore Campus, Southern Cross University

For further information please contact:

Consulate-General of Japan

Level 12, 1 O'Connell Street

Sydney, NSW 2000
